South Suburban College to Host Free Family Reading Night

keep me connected

South Suburban College's Adult Volunteer Literacy Program is hosting its annual Family Reading Night event on Tuesday, November 13th from 6:30 p.m. – 8:30 p.m. in the college's Performing Arts Center Lobby. The public is encouraged to join SSC for this free event to find out about community literacy while enjoying stories and presentations. There will also be free books for children, raffles, interactive games and refreshments.

Illiteracy is an issue that can be debilitating in so many ways for adults and children who never received the proper instruction. Adults who are unable to read have a much more difficult time with many daily activities that others may take for granted, along with a clear disadvantage in today's competitive job market. SSC's Adult Education Department administers the Adult Volunteer Literacy Tutoring Program in addition to High School Equivalency (HSE/GED), English as a Second Language (ESL), and Adult Basic Education (ABE).

For more information about Family Reading Night or the Adult Volunteer Literacy Program, please contact Raylynn Stokes, coordinator, at (708) 596-2000, ext. 2558, or email rstokes@ssc.edu. South Suburban College is located at 15800 S. State St., South Holland, Illinois. This event is sponsored in part by the SSC Foundation.
