Biweekly District Events Newsletter

A biweekly publication providing the latest school and community events to help keep our readers informed.

Eisenhower School welcomed the students and their Grandparents back from winter break with a celebration. The Grandparents started their day with a warm welcome from Principal Kolinski and a hot breakfast before they headed to the classrooms. There they participated in the students' daily activities. This is always a great opportunity for the Grandparents to tour the school, meet the staff, and enjoy extra time with their grandchildren.

Kindergarten and First grade students will be participating in the Kids Heart Challenge, formerly known as Jump Rope for Heart, to help raise money for the American Heart Association. This year to help kick it off a representative from Kids Heart Challenge came to Taft to speak with the students. Students are encouraged to try and raise \$5 and sign up for the challenge online. During this time, students will learn how to take care of their own heart by eating healthy foods, staying away from sugar, and exercising. The final event date will be February 21<sup>st</sup>.

Mr. Ronald Rottman, P.E. Teacher

Coolidge Middle School Garden Club made eye-catching flower arrangements. These arrangements can be used as a centerpiece or given as a gift. The students used a variety of short and tall flowers. They garnished their arrangement with decorative stones.

## FORKLIFT OPERATOR TRAINING

Illinois requires all forklift operators to obtain a license to avoid OSHA sanctions and possible penalties. Forklift driving is no simple matter; it causes more than 100 deaths each year. If you are looking to raise your career to the next level or are an employer ensuring your workforce is safe and in compliance, forklift operator certification from the National Safety Council is available through South Suburban College. This Certification course covers the basic fork lift driving skills needed to obtain your Fork Lift Operator Certification. A Certification Card from the National Safety Council will be issued to the student upon successful completion of the program.
